Silvia Ihensekhien – > Level 1: Ice Breaker

The purpose of this project is to introduce yourself to the club and learn the basic structure of a public speech. Write and deliver a speech about any topic to introduce yourself to the club. Your speech may be humorous, informational, or any other style that appeals to you.

Darron Sun – Presentation Mastery > Level 1: Evaluation and Feedback 1

Choose any topic for your first 5- to 7-minute speech. After your speech, carefully review your feedback. At a different club meeting, present a 5- to 7-minute speech in which you incorporate feedback from your first speech. You may choose to present the same speech again or a new speech. Your second speech should reflect some or all of the feedback from your first speech. Finally, after you have completed both speeches, serve as an evaluator at a club meeting and deliver constructive feedback about another member’s presentation.
